GREEN MEETINGS & GREEN EVENTS.

All 3 locations are Green Location and Green Globe certified and can host green events. The event venues are barrier-free and equipped with inductive hearing systems, a tactile guidance system and visual orientation points.

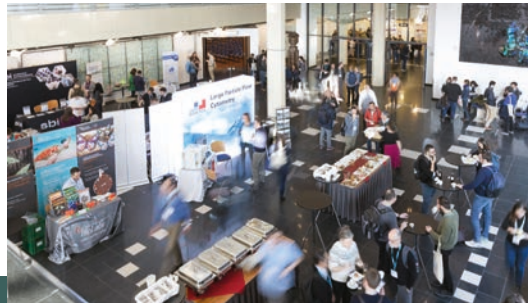

FLEXIBLE RANGE OF SERVICES.

From the initial inquiry to planning, budgeting, event organisation and on-site implementation: all core tasks are carried out by the experienced Congress Messe Innsbruck team on request.

MEETING EXPERTS PARTNERSHIP.

Congress Messe Innsbruck has engaged in a close partnership and intensive exchange with scientists and researchers from all faculties for many years. Their joint goal is the creation of synergies which benefit organisers of national and international conferences, seminars and symposiums. Under the tagline of 'Meeting Experts', representatives of Congress Messe Innsbruck, the University of Innsbruck, the Medical University of Innsbruck and the Innsbruck Convention Bureau are collaboratively optimising the conditions for science conferences on a constant basis.

PCO TYROL CONGRESS. Tailor-made congress organisation.

As a full-service congress agency, PCO Tyrol Congress is an internationally renowned unit of Congress Messe Innsbruck and covers all congress and conference organisation tasks - whether as a core PCO or local PCO.

UNIVERSITY CITY & RESEARCH HUB.

Innsbruck is home to the University of Innsbruck, the Medical University of Innsbruck, the University College of Teacher Education, the Health University of Applied Sciences and the MCI Management Center Innsbruck, making it one of Austria's and Europe's most prolific university cities. With a student population of around 35,000 across 16 faculties, Innsbruck has been a knowledge hub with an international impact for decades. The Medical University's excellent reputation is further enhanced by its close cooperation with the Tirol Kliniken. These universities and colleges produce numerous international and national research prize winners every year.

MULTIFUNCTIONAL SPACES.

All 3 locations offer a wide range of multifunctional and flexible room combinations, both individually and in combination, to successfully host any type of event in Innsbruck.

SEE YOU IN INNSBRUCK!

Alpine-urban flair in the heart of the Alps.

The fascinating high alpine mountain world meets business, science, culture, sport and society in the Tyrol region and its provincial capital Innsbruck, known as the “Capital of the Alps” and home to 140,000 inhabitants. This extraordinary alpine-urban combination gives the university and Olympic city of Innsbruck its very special charm as an internationally renowned congress, trade fair, conference and event destination.

DIRECTIONS / CITY MAP

As the capital of Tyrol, Innsbruck has excellent transport connections by plane, train and car. The city is easy to reach both by public transport and by car.

In the city, you can get around conveniently and safely on foot, or by bike, bus or tram. All guests staying in Innsbruck for at least two nights receive the "Welcome Card": this entitles you to free use of all public transport in the region. You can also easily reach the surrounding valleys and regions by suburban train or using the public bus network.
